National Women & Girls HIV/AIDS Awareness Day

Did you know that every 35 minutes a woman in the United States tests positive for HIV? Historically, HIV/AIDS has affected men disproportionately more than women, but that is quickly changing. Today, about one in four Americans living with HIV is a woman.

In observance of National Women and Girls HIV/AIDS Awareness Day, AIDS Alabama will conduct the following events:

Tuesday, March 9, 2010 - in partnership with Sisterbration

Miles College HIV Education Symposium/HIV Screening

11 a.m. - 12 p.m. - Brown Hall

12 p.m. - 3:30 p.m. - Student Health Center

Wednesday, March 10, 2010 - in partnership with Girls Inc.

HIV Education Health Forum/HIV Screening

4 p.m. - 6 p.m. - Girls Inc. Crestwood Center
