

## JOIN SISTERBRATION

For years we were asked, "How can I become a member of Sisterbration?" and we didn't have a clear answer. After much debate, the Board of Directors agreed that our organization would benefit from a membership option.

Sisterbration now offers Individual Memberships and Corporate Partnerships on an annual basis. When you choose to become a part of our organization, you will be working with us to empower women and girls from racial/ethnic minority groups to adopt and maintain a healthy lifestyle. Furthermore, your generous donations of personal time and monetary investment will allow us to continue our current portfolio of programs while developing new initiatives.

For more information on how you can get involved or if you are interested in becoming a Member or Corporate Partner, please contact Sisterbration at 205.595.1291 or click a JOIN NOW button below.

## MEMBERSHIP LEVELS & BENEFITS

All members receive a Sisterbration t-shirt, along with invitations to exclusive events and subscription to the Sisterbration E-Newsletter. Members at Woman to Envy level and above also help to provide scholarships to girls and young women enrolled in our Sugar & Spice Mentoring Program, automatically become members of the Sisterbration Leadership Council, and are invited to a private event with our Founder once each year.

Sisterbration's membership year spans from January 1 to December 31 each year. Membership expires on December 31st of the effective membership year.
